*Agility's Expertise Can Move You*

## The Challenge

We understand the anxieties you have about relocating. Moving doesn't have to be a traumatic affair. With Agility, it can become routine. We have the specialized knowledge and the packing expertise to ensure a smooth and trouble-free operation. You need experienced logistics professionals who understand the requirements for safe and reliable relocation of the many different household items from one destination to another. No matter what country your destination may be, Agility can move your personal belongings there safely, efficiently and on time.

### Agility Solutions

Our Relocation Services start with a visit by our surveyor who will provide you with an estimate on the volume of your belongings, give you advice on packing in the safest and most economical manner and planning the entire operation. Our total relocation services include the following:

- Household Goods Packing and Moving
- Packing of Antiques, Works of Arts
- Unaccompanied Baggage Transfer
- Project Relocation for Hotels, Hospitals, etc
- Office and Warehouse Moving
- Storage In-transit
- Transshipment by Sea or Air
- Special International Shipments of Cars, Boats or Pets

### The Agility Benefits

Leave every aspect of your relocation to us – from pre-move advisory service, packing and delivery to unpacking and positioning, anywhere in the world. Agility knows the importance of handling your belongings carefully. We use the correct type of packing materials – different sizes of cartons, wardrobe cartons, corrugated cartons, newsprint, non-tarnish tissue paper, bubble-pack, etc. Expensive and fragile items will be separately cased for extra protection. Plastic and water-proof sheets will be used to provide additional protection when loaded into wooden lift vans or containers. With Agility, you can expect safe and sure delivery of all your goods, every time.

### The Agility Experts

Leveraging our the global network of 550 offices in over 120 countries, Agility Fairs & Events offers our customers personalized service, specialized capabilities, global coverage and local expertise ensuring that you will be fully assisted from place of origin to the delivery at your destination. Agility has for years served well-known large corporations, embassies, and many more. We are members of several national and international freight and removal associations which insist on highest standards being maintained. This will ensure that your relocation will be handled professionally.
